FEATURING

JEFF APPLEBAUM & MAGGIE NEWCOMB

 **Jeff Applebaum's** clean comedy examines his particular life experiences, which include being the only white kid on his Little League team in Queens, having a Chinese wife who orders from take-out menus in fluent Mandarin, and raising a teen son who calls himself "Jewnese," because he says it sounds better than "Chine-ish." He has appeared on the "Late Late Show with Craig Ferguson" and can be seen in the film "The Pursuit of Happiness."

Maggie Newcomb has won the 2004 Battle of the Bay Comedy Competition at the San Jose Improv and made it to the semi finals at the 2005 California's Funniest Female Competition in Los Angeles.
